

INTRODUCTIONS

Meet your neighbor and introduce them to the rest of the group:

Name _____

What courses they are teaching _____

THE BIG PICTURE

**EFFECTIVE
INSTRUCTION AT
CONCORDIA**

Elements of Effective Instruction

- 1. Rigorous content
- 2. Student Engagement
- 3. Faith and Learning
- 4. Effective Pedagogy

Look for opportunities to include these elements throughout our next section!

PLANNING YOUR COURSE – COURSE DESIGN MODEL

Steps in Planning your Course

- Define course goals/outcomes/objectives – Bloom’s – turn and talk about a sample
- Determine key course content – examples relevant to your discipline?
- Determine key assessments – read the list – which one sticks out to you and why?
- Identify teaching methods and develop tools – reading excerpt: pre-work strategies
- Evaluate, adjust and revise →

Reflect on what works, in a format that suits you

Syllabus Overview

- What is the purpose of a syllabus?
- Specific elements of syllabus – see handout
- Activity: Choose syllabus sample and identity elements
 - Focus questions: What elements are present? What elements are missing? What elements are written or designed well that you would like to adopt for your syllabi?
- Highlight major syllabus areas
- Questions?
- Syllabus template located in the faculty resources channel, faculty tab of the Portal

Blackboard Resources

- Why use Blackboard?
 - Student engagement opportunities
 - Dropboxes
- Blackboard help – see handout

Questions?

Thank you for attending!
