8:30 am to 4:00 pm

at the Mequon Campus

The **Faculty Institute** is a new comprehensive faculty development workshop for full-time faculty held in the summer. The end of the school year is the perfect time to reflect on past teaching and make revisions to your syllabi for next year.

This is a workshop- bring your laptop.

Reflect and revise one course you are teaching face-to-face in Fall 2015 and get it ready!

Update your syllabus and incorporate one new teaching strategy.

Reflect on faith and learning, and learn how to improve your student ratings.

Learn to use Blackboard; post your syllabus and develop your Grade Center.

Use campus resources like Panopto and Clickers, and Blackboard Help.

Add information to your Digital Measures profile for June annual evaluation.
