

Blackboard Portfolios

Overview

Portfolio Homepage accessed from My Institution page.

- My Portfolios
- My Artifacts

The Basic Layout

- Title
- Header
- Pages
 - Sections
- Footer

Some customization options

- Layout (4 types)
- Color

Can create a template

- Probably department or program level

Is shareable and downloadable

- Can share inside or outside Concordia
- Download a “snapshot”
 - Cannot edit from the download
 - Can retrieve your artifacts from the download

How used at Concordia?

- Just beginning to be explored at CUW
- Offered as an option to Livetext for students in School of Education who are not required to create a Livetext portfolio for graduation.

Strength: Smooth interface between My Portfolios Homepage and all Blackboard courses.
