

**Resources and Support for Faculty Scholarship: Concordia University Wisconsin
March 2018**

Faculty Research & Scholarship Support A-Z	Where to get further information
<p>CITI (Responsible Conduct of Research Training for Faculty) All faculty must complete this online training. If you are doing human subjects research, you will also need “Biomedical Research Basic Refresher” or “Social Science and Behavioral Research Basic Refresher”. You will need evidence of passing the latter to submit with IRB proposals.</p>	<p>Committee for Scholarship Integrity (CSI) Link on Research and Scholarship channel on the portal, Faculty tab</p>
<p>Committee for Scholarship Integrity (CSI) Education and compliance for ethical research & scholarship</p>	<p>Research and Scholarship channel on the portal, Faculty tab Chris Cunningham, Committee Chair 262-243-2792</p>
<p>Concordia Intramural Research Grant (CIRG) Internal grant awards for full-time faculty research projects. These grants are intended to function as seed money in obtaining additional funding from outside sources. Application window December 1 – February 1 for following year.</p>	<p>CIRG Grant Committee Beth Buckley 262-243-2766 Beth.buckley@cuw.edu</p>
<p>Concordia Intramural Teaching Grant (CITG) Internal grant for full-time faculty innovation in a course taught, including expenses and a faculty stipend. Also supports Scholarship of teaching and Learning (SOTL) projects. Application window March 1 – June 1 for following year</p>	<p>Elizabeth Evans, CELT 262-243-4823 www.cuw.edu/celt Application in Forms Repository on the portal Resources tab and in CELT channel on portal Faculty tab</p>
<p>Faculty Scholarship Week Peer-reviewed presentation and poster opportunities each fall. Faculty Scholarship Week 2018 will be October 22-26; we hope to have events on both campuses again. Watch for more information about abstract submission deadlines.</p>	<p>Faculty Scholarship Committee Leah Dvorak & Julie Dresen Leah.dvorak@cuw.edu Julie.Dresen@cuw.edu</p>
<p>Faculty Scholarship Mentoring Groups Small groups meet informally to provide mutual support, accountability, and forum to talk about scholarship/research</p>	<p>Faculty Scholarship Committee- Leah Dvorak & Julie Dresen Leah.dvorak@cuw.edu Julie.Dresen@cuw.edu</p>
<p>Faculty Research Roundtable Conversations about research interests and projects. Outreach to 2nd year faculty, but anyone can join.</p>	<p>Office of Sponsored Programs (OSP) Julie Dresen Julie.Dresen@cuw.edu</p>

<p>Grant Support Grant identification, writing support (pre-award process), post-award support, grant-writing workshops. Contact the OSP for any grant inquiries, as all research grants must be submitted through the OSP</p>  <p>Grant Forward funding database of grant opportunities from Federal, state, corporate and family foundations, and association sponsors. CUW/CUAA faculty can search this database to locate funding for scientific research, conferences, program funding, faculty development, training or scholarship grants, capital, equipment, and fellowships, or set alerts to track specific opportunities.</p> <p>Register to get emails when grants open in your areas of interest. Additionally, faculty members are encouraged to upload their CV into the database. Each word in your CV becomes a searchable term that the system will use to match funding based on your area of expertise.</p>  <p>Cayuse 424 Proposal Creation Software</p>	<p>Office of Sponsored Programs (OSP) Julie Dresen 262-243-2794 Julie.dresen@cuw.edu</p> <p>See also Office of Sponsored Programs (OSP) channel on the portal, Faculty Tab or the CUW website</p>
<p>Institutional Review Board (IRB) Reviews research proposals involving human subjects</p> <p>Animal Care and Use Committee (IACUC) Reviews research proposals involving animals</p>	<p>Tammy Ferry, IRB Administrator Tamara.ferry@cuw.edu Links on “Research and Scholarship” Channel on the portal Faculty tab.</p>
<p>Library – Rincker Memorial Library Various Services One-on-one support for online search strategies, InterLibrary loan requests, tools to identify journal metrics and impact, copyright fair use issues, use of citation management tools.</p> <p>The InterLibrary loan link is on the Quick Links channel.</p>	<p><i>Library Tab on the portal</i></p> <p>Faculty Scholarship Reference Librarian: Laura Beldavs 262-243-4403 or any librarian</p>
<p>Qualtrics (online) Survey Tool</p>	<p>Qualtrics Accounts Channel on portal Resources Tab Elizabeth Evans</p>

<p>Accounts connected to our enterprise license are available to all faculty and staff. Student research assistants can have accounts under the supervision of a Concordia employee.</p>	<p>262-243-4283 Elizabeth.evans@cuw.edu</p>
<p>Research Methodologist Assistance with all aspects of research: developing your question, choosing a method, data analysis and:</p> <ul style="list-style-type: none"> • Brainstorming potential research projects • Developing research questions and/or hypotheses • Choosing appropriate research methodology techniques to address your research questions • Sampling and data collection techniques and set-up • Entering data into SPSS and/or how to run output on SPSS • Assisting with the proper way to write up statistical results • Writing for publication or presentation • Supports faculty members only; see below for support for students doing research 	<p>Angela Walmsley 262-243-2138 Angela.walmsley@cuw.edu</p> <p>Link to more information on the “Research and Scholarship” channel on the portal, Faculty tab</p>
<p>Scholarship of Teaching and Learning (SoTL) Support CELT offers programs and books on “how to do” SoTL for faculty. SoTL Resources CELT website page at both campuses including journals to which you might submit articles.</p> <p>See also <i>Faculty Scholarship Mentoring Groups</i></p>	<p>Center for Excellence in Learning and Teaching (CELT) www.cuw.edu/celt</p> <p>Elizabeth Evans 262-243-4283 Elizabeth.evans@cuw.edu</p>
<p>SPSS Statistics Program Version 24 Now available under an enterprise license to all employees with a Concordia computer through the Software Center. On your CUW computer, on the start menu in the lower left, enter “Software Center” into the search box. It should come up under the Programs header. Inside that program, you will see “SPSS Statistics 24” listed. Place a checkmark into the box and click Install Selected in the bottom right. The install takes between 5-10 minutes. Once finished, you should be able to go back to the search box and open it from there.</p>	<p>Contact Computer Support X 2667 with questions.</p>
<p>Student Research Support</p>	
<p>Qualtrics (Pilot) Students taking research courses (must be closely supervised by instructor also active in Qualtrics). Account expires at the end of research sequence.</p>	<p>Center for Excellence in Learning and Teaching (CELT) www.cuw.edu/celt</p> <p>Elizabeth Evans 262-243-4283 Elizabeth.evans@cuw.edu</p>

<p>Student Research Assistance Support for students doing their research projects is now available through the office of the research methodologist. For undergraduate and graduate students.</p>	<p>Angela Walmsley's office at researchassistantsta@cuw.edu</p>
<p>Undergraduate Research Week Mini-grants are available to students undertaking research. This year students will be invited to do posters April 9 and there will be a presentation on U/G Research for Faculty April 10.</p>	<p>Office of Sponsored Programs (OSP) Julie Dresen 262-243-2794 Julie.dresen@cuw.edu</p>
<p>Summer Undergraduate Research Fellowship (SURF) Grant Internal grant awards for student/faculty summer research projects</p>	<p>CIRG Grant Committee Beth Buckley 262-243-2766 Beth.buckley@cuw.edu</p>
