Retention Center: View which students have less activity and have not access the course recently.

## Retention Center

The Retention Center helps you discover which students in your course are at risk. You can communicate with struggling students and help them take immediate patterns over time. [More Help](#)

### Students currently at risk

## Student Overview for Single Course: Check what student has viewed and submitted for grading.

The screenshot shows the Blackboard interface with a left-hand navigation menu and a main content area. The navigation menu includes sections for Evaluation, Grade Center, Users and Groups, Customization, Packages and Utilities, and Help. The main content area displays four report options, each with a brief description and a 'Last Run' timestamp. The 'Student Overview for Single Course' report is highlighted with a blue circle, and a 'Run' button is overlaid on it.

This report displays information showing how a single Blackboard Learn Course performs against a selected set of goals. Performance targets and a range of acceptable performance for the course can be determined when running the report. Data includes averages for the entire course as well as break downs for individual students and goals.  
> Last Run:

**Overall Summary of User Activity**  
The report displays user activity for all areas of the course, as well as activity dates, times and days of the week.  
> Last Run: Tuesday, September 11, 2018 8:55:42 AM CDT

**Single Course User Participation Report**  
Displays detailed statistics on assessment and collaboration tool submissions for all users in this course during a specified timeframe  
> Last Run:

**Student Overview for Single Course**  
Student Overview for Single Course displays an individual student's activity within a course, sorted by date. Data includes the total overall time the student spent in the course as well as detailed information about the student's activity, such as which items and Content Areas the student accessed and the time spent on each.  
> Last Run: Tuesday, September 11, 2018 9:44:43 AM CDT

Run

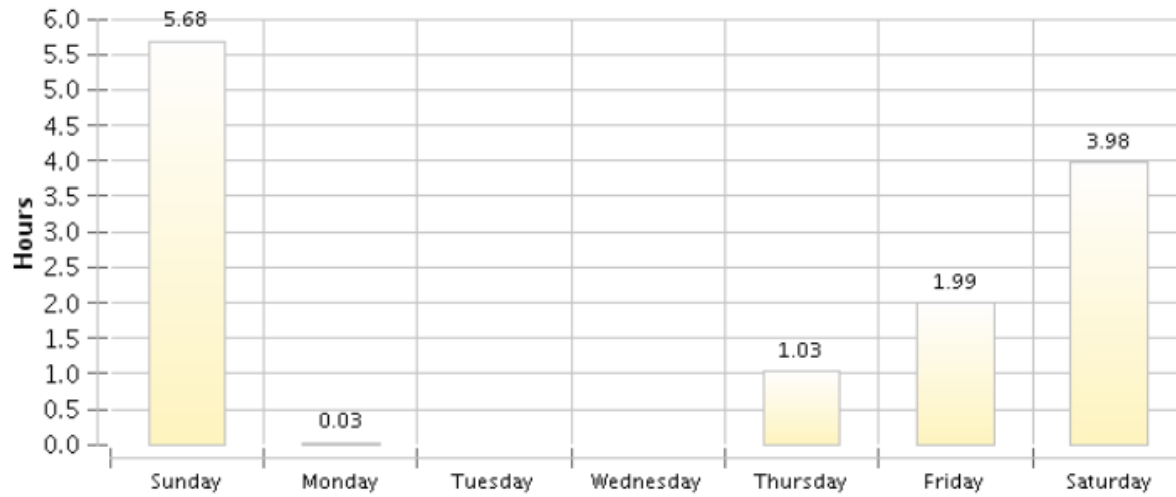

Evaluation → Course Reports → Student Overview for Single Course.

Then:

1. Click Run
2. Select a Student
3. Select a Start Date
4. Select an End Date
5. Submit. You will see the report below:
