

## Using the Polycomm Remote:

### How to Make a Connection

(REMOTE MUST BE POINTED AT THE CAMERA WHEN USING THESE CONTROLS)

1. Press **Power** on the Polycomm unit.
2. Use arrow keys to highlight the **Directory** on the video screen. (If Directory is not visible, press the Directory button.) Press enter.
3. Use the arrow keys until you find the Favorites option, then press the Enter button.
4. Use the arrow keys to find the site you want to connect with.
5. Select the **Green Phone** button to make the call.
