

Concordia's Cycle for Assessment and Improvement of Student Learning

Course Level Assessment and Improvement: Individual Instructor

Program Level Assessment and Improvement: Department

Outcomes: Based on External and Internal Contexts –1

What do I/we want my students to know and be able to do at the end of the course/program?

What level of achievement is needed for student success?

Activities: Effective Pedagogy

How will students develop this learning? Where in the curriculum will it occur?

Evaluation:

How will I /we know when students have learned it? 2-3-4

Improvement: Using Continuous Improvement Cycle

How can I/we change so student achievement can be improved? 5

How will we evaluate impact of changes? 6
