

Create a Discussion Forum

1. Create a Discussion Forum

- a. To create a discussion board, click on Content, click on the folder where you want to add a discussion board, click on Tools, then Discussion Board.

- b. Click on Create New Forum, then click Next.

Create Link: Discussion Board

Adding a link to a Discussion Board forum places the forum in the Content Area. This creates a streamlined experience where users interact with each other in the same area where they discover content. A link can connect to an existing forum or a new forum can be created and linked. [More Help](#)
