

Blackboard Grade Center: Troubleshooting Tips

Does it seem like the Grade Center is not calculating the final grade correctly for your face to face course? Did you see a Grade Center column and now it seems it mysteriously disappeared? Have you wanted to grade all student submissions before releasing the grades to students? [Click here](#) for some troubleshooting tips that can solve these common issues.

Save the Date! May 18-19, 2016

Mark your calendar! Wednesday—Thursday May 18-19 is the CELT Faculty Institute!
More details to come very soon!

Blackboard Learn Sessions in April

Blackboard Learn Basics

Led by Justin Frisque
Friday April 8, 12:00-1:00pm
In R006 or join via webinar.
Register [here](#).

Blackboard Learn More Tools

Led by Justin Frisque
Monday April 11, 1:00-2:00pm
In R006 or join via webinar
Register [here](#).

Assessments and Rubrics

Led by Susan Gallanis
Tuesday April 12, 6:00-7:00pm
In R006 or join via webinar
Register [here](#).

Other April Programs

Wednesday April 13

Introduction to Using Qualtrics in Research

1:00-2:00pm in R006
Led by Elizabeth Evans
Register [here](#).

Searching for Grant Opportunities—Where and How?

2:00-4:00pm in R006
Led by Julie Dresen, Nancy Pierce, & Cathy Melan from the Office of Sponsored Programs

During this workshop, faculty and staff will become knowledgeable in best practices in grant research using GrantForward and other sites, both Federal and Foundations. Register [here](#).

Tuesday April 19, 1:00-2:00pm

Introduction to SPSS (Statistical Package for the Social Sciences)

Led by Angela Walmsley in R006

Participants will learn the basics of the statistical software package, SPSS. This will include how to set up a database and enter data; and how to run descriptive statistics; create some graphs; code and recode data; and run a few common statistical tests (such as correlation and the t-test). It is highly recommended that participants have SPSS installed on their computer by IT prior to the session and come to the session with their laptop.

Wednesday April 20

Concussion: What is it and what do we need to know?

12:00-1:00pm in the Terrace Room
Led by Christine Bowman

This presentation is important for all CUW faculty, staff, and students who want to learn more about the medical and academic implications of concussions. This presentation will: define concussion, post concussion syndrome, and second impact syndrome.; explain the etiology and pathology of concussions/mild traumatic brain injury; discuss current legislature related to concussions and what this means for students, faculty, and staff; discuss "return to play" and "return to school" guidelines for the concussed patient and why it is so important to follow these guidelines.

Bring your lunch! (Lunch not provided.) Register [here](#).

Grant Proposal Preparation

2:00-4:00pm in R006
Led by Julie Dresen, Nancy Pierce, & Cathy Melan
This hands on seminar will look at what are the best practices to put the grant submission together.
Register [here](#).

susan.gallanis@cuw.edu, 262-243-2007

Susan Nusser, Blended Learning Development Specialist
susan.nusser@cuw.edu, 262-243-2082

"Wake Up and Live!" based on

1 Thessalonians 5:9-11: *"For God has not destined us for wrath, but to obtain salvation through our Lord Jesus Christ, who died for us so that whether we are awake or asleep we might live with him. Therefore encourage one another and build one another up, just as you are doing."* (ESV)
