#### Student Motivation: Practical Strategies That Will Increase Engagement, Learning, & Persistence

A Live Webinar by Innovative Educators

Participants will examine common best practices in education and have an opportunity to engage in their own reflective practice as to how they measure up. Creating a college classroom climate conducive to student success does not happen by accident. It happens on purpose. Join us for this webinar to examine how effective teachers motivate their students.

"Wake Up and Live!" based on

1 Thessalonians 5:9-11: *"For God has not destined us for wrath, but to obtain salvation through our Lord Jesus Christ, who died for us so that whether we are awake or asleep we might live with him. Therefore encourage one another and build one another up, just as you are doing."* (ESV)
