Jeff Schwehm in Science 106A, x7420

Thursday November 5, 3:30-4:30pm: Final Faith and Learning Session

In Christ All Things Hold Together is a new LCMS publication addressing the intersection of science and Christian Theology. Drawing from fields including history and philosophy it investigates how science and theology can be cohesively aligned while seeking to understand God's creation. Our interdisciplinary discussions will be led by faculty in theology (Phil Penhallegon) and the natural sciences (Jim Refenes) but will be enriched by participants from any discipline interested in studying the world within a worldview that is both faithful and intellectually meaningful. Meet in SCI 101.

Coming in January: Introduction to Research Methods

Tuesday January 12, 1:30-2:30 EST. Led by Angela Walmsley. Video conference from Mequon to the Manor Ballroom. **This program is for faculty who** are interested in learning about research methodology and have limited background in research methods or who need a refresher. We will discuss the basics of research methods; the differences in types of research; and differences in sampling.

Please register in advance: <http://bit.ly/CUAA1-12ResearchMethods>

November Blackboard Learn Sessions

All sessions are 1:00-2:00pm Eastern Time. Attend via webinar (sessions are live on the Mequon campus). Below are dates and session descriptions. **Click [here](#) to register for all sessions.**

Basics—Monday Nov 9 includes: Uploading files, adding weblinks, creating assignments (drop boxes) and grading assignments, setting up grade center.

More Tools—Monday Nov 16 includes: Embedding YouTube videos, discussion forums, SafeAssignment (direct submissions), adding Panopto tool, and communication tools.

Assessments and Rubrics—Monday Nov 30: covers 4 question types, question pools, and creating online rubrics.

G3: Grade Center review, Group Assignments, Grading Tips—Thursday Nov 12.

Moving your course from Angel to Blackboard Learn—Wednesday Nov 18. This is a hands on session to help you move course content from Angel to Blackboard. Online tests cannot be moved this way, but we can share some resources to help you do this, if needed.
