NOVEMBER 2015

## ANGEL END DATE UPDATED!

### 01/31/16 IS THE NEW END DATE FOR

**ANGEL:** Come to the Wednesday November 18 (12:00 -1:00) session for one of the last opportunities to learn how to move your course from ANGEL to Blackboard Learn.

Click [here](#) to register for this and all Fall Blackboard sessions.

## Grants App: Create, Review and Submit Grant Proposals Electronically with Cayuse424

**Wednesday November 4, 12:00-1:00pm OR 2:00-3:00pm** in R006.

Presented by Julie Dresen.

Click [here](#) to register.

## Mathematica Hands-On Training Seminar

**Tuesday November 10, 1:00-3:00pm** in Pharmacy 149. Stay the entire time or drop in for part of the time.

Seminar presented by Neil Andrews from Wolfram, the makers of Mathematica. This will be an introduction to the software and hands-on help. Concordia University has purchased a site license. All faculty and students can download and activate the software for free, but it may be especially helpful for those in the math or sciences areas.

For more information and registration link click [here](#).

## Research Rocks! Introduction to Research Quantitative Methods

**Thursday November 19, 12:00-1:00pm** in R006.

Presented by Angela Walmsley, Associate Professor of Mathematics and Research Methodologist. The audience is faculty who are new to statistics or need a refresher on types of statistics used in research studies. The topics are descriptive statistics and inferential statistics including t-tests, chi square, and correlation and regression. You are welcome to bring your bag lunch. We can provide a cold beverage. **To register, click [here](#).**

## A Vision of Service Learning at Concordia—Archived Recording

If you missed Faculty Laureate Randy Ferguson's presentation, you can view the recording by clicking [here](#).

## November Blackboard Learn Sessions

All sessions are 12:00-1:00pm Central Time. Attend in person on the Mequon campus, or via webinar. Below are dates and session descriptions. **Click [here](#) to register for all sessions.**

**Basics—Monday Nov 9** includes: Uploading files, adding weblinks, creating assignments (drop boxes) and grading assignments, setting up grade center.

**More Tools—Monday Nov 16** includes: Embedding YouTube videos, discussion forums, SafeAssignment (direct submissions), adding Panopto tool, and communication tools.

**Assessments and Rubrics—Monday Nov 30:** covers 4 question types, question pools, and creating online rubrics.

**G3: Grade Center review, Group Assignments, Grading Tips—Thursday Nov 12.**

**Moving your course from Angel to Blackboard Learn—Wednesday Nov 18.** This is a hands on session to help you move course content from Angel to Blackboard. Online tests cannot be moved this way, but we can share some resources to help you do this, if needed.

"Wake Up and Live!" based on

1 Thessalonians 5:9-11: *"For God has not destined us for wrath, but to obtain salvation through our Lord Jesus Christ, who died for us so that whether we are awake or asleep we might live with him. Therefore encourage one another and build one another up, just as you are doing."* (ESV)
