

# Faculty Summit Meeting: Keynote Presentation Discussion Questions

Breakout Sessions on Keynote Presentation: **10:15-11:00 AM, Central Time**

*Instructions: All discussion groups will be randomly assigned via Zoom using breakout rooms.*

*There is no designated facilitator for the breakout session. Instead, the Summit Committee has developed a number of discussion questions for your consideration as you contemplate and reflect on this morning's keynote presentation on Servant Leadership. Please feel free to use these discussion questions to spur conversation, but if the group's discussion leads you in different directions that is okay too!*
