

### 15. Panopto

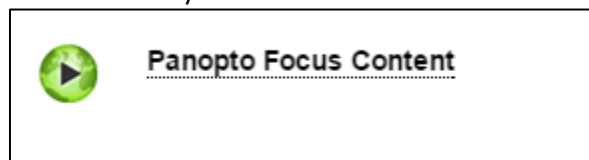

- a. The Panopto Video Link tool is available in your course. To add the tool, click on Content, Tools, More Tools, then Panopto Course Tool Application.

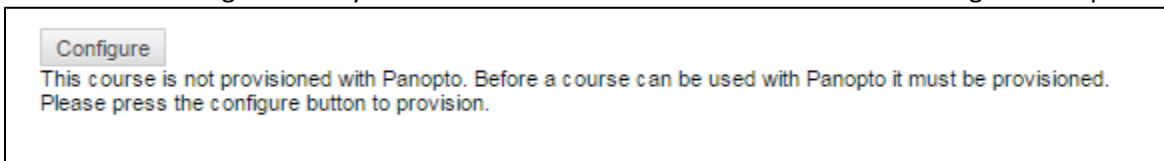

- b. Enter a name. Add an optional description. Click Submit.

- c. The Panopto link will be added to your content area. Click on the Panopto link.

- d. Click on Configure. It may take several minutes for Blackboard Learn to configure Panopto.

- e. You'll see the courses where you have Panopto added. Find your course, click Add. You can add previous semester recordings to your current course if desired. When finished click Submit. It may take several minutes for the configuration to finish.

**1 Select Panopto Folders**

*You may update the list of Panopto folders associated with this course. Instructors of this course will be able to create content in any folder associated with it and students will be able to view the content.*
