

How to Give (or Remove) Full Credit to All Students for a Test Question (https://help.blackboard.com/Learn/Instructor/Original/Tests_Pools_Surveys/Grade_Tests)

You can Give Full Credit for all test submissions for the question you're viewing. Subsequent submissions are given full credit as well. After you give full credit, you can Remove Full Credit to revert to the automatic grade or to a previously assigned manual grade.

1. In the Grade Center, access a test column's menu and select Grade Questions.
2. For the question you want to give full credit to all students, select the number in the Responses column.
3. On the Grade Responses page, expand the Question Information link to view the question.
