

#### 4. View Course Content

- a. To add or view course content (i.e., syllabus, assignment/drop boxes) click on Content.

5. **Edit Mode.** As you add content to your course, make sure the Edit Mode in the course is ON. Sometimes, for no apparent reason, the Edit Mode switches to OFF and you will be unable to add or edit any content in the course. If this happens, check the Edit Mode on the upper right corner of the screen. If it is OFF, click on it and switch it ON again.
